Title: Non Discrimination In Compensation: Compensation Data Collection Tool

Abstract: Compensation discrimination is one form of discrimination that is prohibited by Executive Order 11246, as amended, (E.O. 11246). Eliminating gender and race-based, compensation discrimination continues to be a priority issue for OFCCP. Consequently, OFCCP is considering the development of a new strategic compensation data collection tool that will effectively identify contractors that are likely to violate E.O. 11246. In addition, the data collection tool may be used to conduct establishment-specific, contractor-wide, and industry-wide analyses. Through publication of an Advance Notice of Proposed Rulemaking (ANPRM), OFCCP will seek input from stakeholders on issues relating to the scope, content, and format of the tool to ensure that it is an effective and efficient data collection instrument

Title: Affirmative Action and Nondiscrimination Obligations of Contractors and Subcontractors; Evaluation of Recruitment and Placement Results Under the VEVRAA of 1974, As Amended

Abstract: This Notice of Proposed Rulemaking (NPRM) would revise the regulations in 41 CFR parts 60-250 and 60-300, implementing the nondiscrimination and affirmative action provisions of VEVRAA. This NPRM would strengthen the affirmative action requirements for Federal contractors and subcontractors. The NPRM would amend the regulations to require that Federal contractors and subcontractors conduct more substantive analyses of recruitment and placement actions taken under VEVRAA and would require the use of numerical targets to measure the effectiveness of affirmative action efforts. The NPRM would also make revisions to recordkeeping requirements.

Title: Construction Contractor Affirmative Action Requirements

Abstract: This Notice of Proposed Rulemaking (NPRM) would revise the regulations in 41 CFR part 60-4 implementing the affirmative action requirements of Executive Order 11246 that are applicable to Federal and federally assisted construction contractors. The NPRM will strengthen and enhance the effectiveness of the affirmative action program requirements for Federal and federally-assisted construction contractors and subcontractors, particularly in the area of recruitment and job training.

 Major: No  
 CFR Citation: 41 CFR 60-1; 41 CFR 60-4 (To search for a specific CFR, visit the [Code of Federal Regulations](#).)

Agenda Stage of Rulemaking: Proposed Rule

## Regulatory Plan:

Statement of Need: The regulations implementing construction contractor affirmative action obligations under Executive Order 11246, as amended, were last revised in 1980. Recent data show that disparities in the representation of women and racial minorities continue to exist in on-site construction occupations in the construction industry. The NPRM would remove outdated regulatory provisions, propose a new method for establishing affirmative action goals, and propose other revisions to the affirmative action requirements that reflect the realities of the labor market and employment practices in the construction industry today.

Legal Basis: This action is not required by statute or court order. Legal Authority: Sections 201, 202, 205, 211, 301, 302, and 303 of E.O. 11246, as amended, 30 FR 12319; 32 FR 14303, as amended by E.O. 12086.

Alternatives: Regulatory alternatives will be addressed as the NPRM is developed

Costs and Benefits: There may be some additional costs to contractors as a result of the increased scope of required

actions. The benefits would likely include increased diversity in construction workplaces and increased opportunities for women and minorities to get on-site construction jobs. More detailed cost and benefit analyses will be made as the NPRM is developed.

Risks: Failure to provide updated regulations may impede the equal opportunity rights of some workers in protected classes.

Title: Affirmative Action and Nondiscrimination Obligations of Contractors and Subcontractors: Evaluation of Recruitment and Placement Results Under Section 503

Abstract: This Notice of Proposed Rulemaking (NPRM) 41 CFR part 60-741, implements the nondiscrimination and affirmative action provisions of section 503 of the Rehabilitation Act of 1973, as amended (Section 503). This NPRM would strengthen the affirmative action requirements for Federal contractors and subcontractors. The NPRM would amend the regulations to require that Federal contractors and subcontractors increase linkages and conduct more substantive analyses of recruitment and placement actions taken under section 503. The NPRM would also make revisions to recordkeeping requirements.

Title: Redesignation of Title 20 CFR, Chapter VI

Abstract: The current title of Chapter VI, title 20 CFR, is "Employment Standards Administration, Department of Labor." Because the Secretary of Labor dissolved the Employment Standards Administration (ESA) into its constituent components on November 8, 2009, Chapter VI must be redesignated. The rules contained in Chapter VI implement the Longshore and Harbor Workers' Compensation Act, as extended (33 U.S.C. 901 to 951), and the Black Lung Benefits Act, 30 U.S.C. 901 to 944. The Secretary has delegated authority for administering both programs to the Director, Office of Workers' Compensation Programs. 74 FR 58834 (Nov. 13, 2009). Accordingly, this final rule redesignates title 20 CFR, Chapter VI, as "Office of Workers' Compensation Program, Department of Labor."
